DISCLAIMER

Young people will be under the control and care of a group leader and/or other adults approved by Community Church leadership. While the staff in charge of the group will take reasonable care of the young people, they cannot necessarily be held responsible for any loss, damage or injury suffered by them during, or as a result of, the activity.

In the case of a serious accident when medical advice or treatment is needed, the assistance of a GP or A&E Department of a hospital may be sought. The Children Act of 1989 allows a doctor to provide any necessary treatment by doing 'what is responsible in all circumstances of the case for the purpose of safeguarding or promoting the child's welfare'.

However, the parent/carer should be contacted and advised of the situation as soon as possible. Those caring for young people on day trips, outings and residential activities will obtain in advance from the parent/carer any other relevant consent forms relating to that activity.

Privacy (see website for full policy)

In compliance with Data Protection laws, I give permission for any image or video of my child to be used in Community Church publications or on the Community Church website. (Please tick)

The personal information you provide will be held by Woodlands Group of Churches. The way in which we use your information will normally be obvious from the context in which you provide it (for example, to register your attendance at an event or course, provide you with information about church when completing a newcomers form or responding to your queries). You can access our full Data Privacy Policy on our website: www.thecommunitychurch.net

We would also like to use your personal information to keep in touch with you, for example providing updates on church life, including news about special events, services, courses, highlighting ways to engage in church life and general information which we believe will be of interest to you. We need your consent to send these communications to you, so please indicate below your communication preferences.
